Performance Reports Submission: About

INTRODUCTION

NJ SMART introduced the Performance Reports Submission in the 2018-2019 School Year. The Performance Reports Submission collects school and district narrative information and staff attendance data that populates the NJ School Performance Reports. This submission replaces the Homeroom Report Card and Report Card Narrative (RCN) collections.

For the most up-to-date versions of the Performance Reports Handbook and file, please see the Documents for Download section of the [NJ SMART Resources & Trainings](#) page.

UPDATES TO THE PERFORMANCE REPORTS SUBMISSION

For historical updates to the Performance Reports Submission, please consult the Revision History of the Performance Reports Submission Data Handbook.
