

Special Education Submission

Special Education Submission: About

INTRODUCTION

To meet increasingly intensive reporting requirements on collecting Special Education data in correspondence with the Individuals with Disabilities Education Act (IDEA), the Special Education Submission was established. This Submission collects a set of data elements that provides a more comprehensive picture of students that are enrolled in or referred to Special Education services.

For the most up to date version of the Special Education Submission Handbook, supplemental resources, and templates, please see the Documents for Download section of the [NJ SMART Resources & Trainings](#) page.
