State Assessment Registration Submission: About

INTRODUCTION

NJ SMART collects NJSLA, ACCESS 2.0, NJGPA, and DLM registration information through the Official State Assessment Registration Submission that began in October of 2016. The State Assessment Registration Submission is required for LEAs with students taking the NJSLA, ACCESS 2.0, NJGPA, and/or DLM assessments within the current school year. Students that enter at any time during the submission period must be submitted to SID Management within NJ SMART first to allow these newer students to be accepted by the State Assessment Registration Submission.
